Beautiful Beaches

All year round enjoy the seven miles of award-winning beaches and the stunning views of the Isle of Wight and the Purbecks.

Take a trip on the famous land train which runs along the promenade east towards Boscombe and west towards Alum Chine and on to Branksome in Poole. You can also enjoy a bird's-eye view from our cliff lifts situated alongside the zigzag pathways at West Cliff and Fishermans's Walk at Southbourne.

Bournemouth's cliff lifts are located at: Fisherman's Walk at Southbourne and West Cliff. The lifts operate 9.45am - 5.30pm, every day from April to the end of October. In the school summer holidays, they run longer, from 9.45am – 6.15pm. Please note, the lifts opening times can change or close without notice.

Accessible parking spaces (chargeable) are available on the promenade, between the piers. Entrance to promenade parking is by Boscombe Pier. Fully accessible toilet facilities can be found across the seafront and require RADAR keys. Carers accompanying disabled persons can enjoy FREE use of the land trains, cliff lifts and access to Bournemouth Pier.

For easier access onto the sand, beach-going wheelchairs fitted with balloon tyres are available to borrow. Call into any Seafront Office or telephone: ☎ **01202 451734** for more details. Three dedicated wheelchair accessible beach chalets are available for hire at Boscombe. These have accessible parking spaces (chargeable) and toilet facilities close by. Telephone our booking hotline: ☎ **01202 451734 or 01202 451781** (local rate) for details.

To hire beach deck chairs, sun beds, windbreaks or parasols: please just help yourself and an attendant will come to collect the hire charge later.

Eat out at one of the seafront restaurants, taking in the views while tasting the delights of fresh seafood, Italian, classic fish 'n' chips and much more.

Award-winning Gardens

Bournemouth's gardens are split into three areas of Victorian beauty. The Lower Gardens begin at Pier Approach and lead up to the Town Centre, where the Central Gardens can be found. The Upper Gardens follow on from these and include a delightful tree trail walk. Together, the gardens stretch for a mile and a half. They are fully accessible from start to finish, with wide level pathways that take in the many and varied trees, shrubs and herbaceous perennials. The gardens are planted to provide interest throughout the year.

The Lower Gardens play host to many events, especially during the summer months. These include concerts at the Pine Walk Bandstand.

In the Victorian era, the aroma from the pine trees in the Lower Gardens was considered beneficial for chest complaints. The rock garden here was constructed in 1930 and is one of the largest municipal rock gardens in the country. Planting pockets have been created amongst the rock terraces to enable alpine and rock plants from around the world to be grown. The Lower Gardens also feature an aviary, found by the Pine Walk.

Boscombe Chine Gardens can be found to the east of Bournemouth Pier and Alum Chine Tropical Gardens to the west. The Bournemouth land train has stops at both. These gardens are planted on slopes from seafront level up to road level and take advantage of the mild microclimate that exists along this stretch of coastline. They are wheelchair accessible, with seating located throughout. However, there are steep inclines in places.

While you are in the area, why not also visit the Italianate Gardens just off Boscombe Cliff Road. These peaceful gardens offer an ideal point from which to enjoy fabulous views of the Bay.
