

Café Monet
The licensed restaurant and sunny patio have beautiful views over the gardens, whether you're visiting the gardens or just stopping by for a quick bite to eat, it's a great place to meet.

Enjoy morning coffee, snacks, sandwiches and light lunches made using local produce from Dorset and the Westcountry. You can also enjoy a glass of wine, local real ale or cider with your meal.

Our delicious homemade cakes, baked on site, include our popular Dorset Clotted Cream Tea and Traditional Dorset Apple Cake.

Wedding Venue
These stunning romantic gardens are available for exclusive hire. You may choose to hold just your ceremony or just your reception here, but it is the perfect venue to spend your entire wedding day in one location, with the unique setting offering spectacular photo opportunities.
